## **Coaches Report**

Off Season meeting on 1/5/10 was a good turn out from the boys. Coach Caruso stressed to the boys to work out in the off season. They should be working 3 days a week. There will be occasional MAT Drills on Saturday mornings. 7 on 7 in the summer.

Coach's clinics are coming up. Nike not sure of the cost at this time. Glazier is \$200 for a pass and as many coaches as we want can go on that pass. Rutgers coaches camp, unsure of cost.

Xenith Helmet conditioning will be soon. CC will let them know. Will be done soon. Only 2 seniors have purchased uniform tops. They were sold for \$99 and will go to the cost of the replacement jerseys. White Jerseys are being sent back to the company because of the colors running and fading. CC received the bill for the 12<sup>th</sup> man club. School pays for the students but not for the adults or coaches. \$630.00 before school contribution.

Looking forward to next season:

Sea Girt – We should be able to fundraise for this camp. The cost will probably be \$160.00 per player. Days will possibly change to Wed – Sat.

Combines are out there, good to go to for Division I exposure.

Denise Koval asked if we are going to make them full days. So that we may get more for the camp.

CC mentioned sweat suits from Champion for the team. Each player would purchase there own. He will see if he can get a representative to come in for the demo. All Home games next season are tentative for 11am.

Nick Macelok received the scholar Athlete Award. Congratulations!
