

Hello,

I want to inform all of you and give you fair warning that the Steinert Varsity and JV football teams will again be holding a few days of practice at the National Guard Base in Sea Girt, NJ. We were given this opportunity last year and I truly believe it helped mold our team into a playoff team. At the camp last year we came together as a team and removed all distractions which allowed us to focus on football.

This year the days we will be going away to Sea Girt will be Tuesday August 24th at approximately 3 pm until Friday August 27th at approximately 4pm. We have a scrimmage on the morning of the 24th at 10am. After the scrimmage the players will be able to go home, eat, and rest up before returning to school and boarding the buses.

There is a cost to this camp because we need to provide the players with not only sleeping arrangements, but also meals and medical services. The cost this year for the camp will be \$150. That covers the use of air conditioned barracks, meeting halls, the mess hall where we will receive 3 square meals a day, the use of the fields, a medical trainer, and the PT workout which has been arranged for us and will be run by the National Guard. The National Guard will also be arranging other fun activities for us while we are there such as a movie night and a night where they bring in video games, a rock climbing wall, and other events as well. I feel very lucky to get all of this at the very low price that the National Guard charges us.

We will be having an informational meeting about Sea Girt on Thursday August 5th at 7 pm. The location of the meeting will be announced as soon as we get a place. The school will be closed in August so we are looking for another venue. Please make checks payable to the Steinert Football Booster Club.

If anyone should have any questions regarding this or any other issues please feel free to contact me at dcaruso@hamilton.k12.nj.us or at 609-505-6095.

Thank you.
Coach Caruso
